

2 + 4 = 6

4 + ? = 9

5 + ? = 9

6 + ? = 8

6 + ? = 9

2 + ? = 4

3 + ? = 5

6 + ? = 9

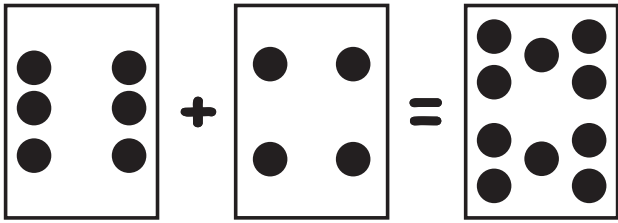

6 + ? = 8

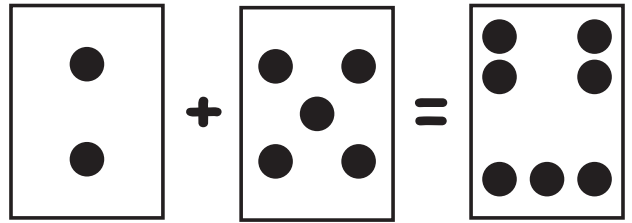

5 + ? = 8

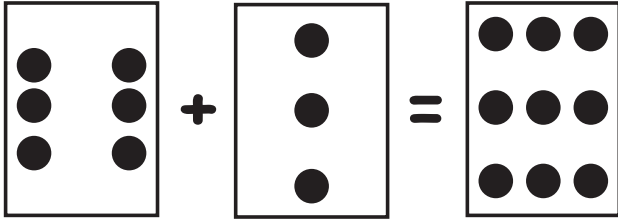

1 + ? = 5

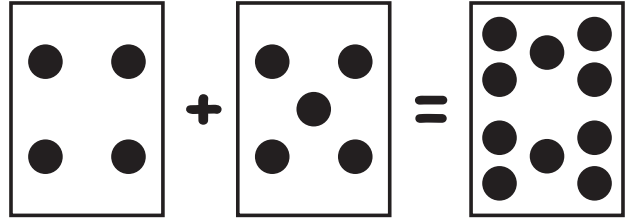

5 + ? = 9

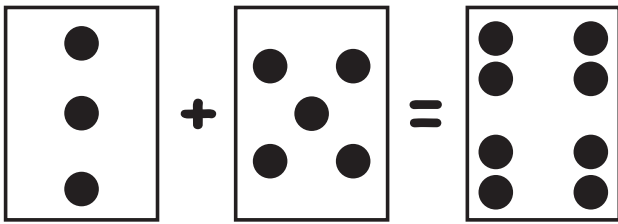

Draw the missing dots - sheet #2 - answers

 $6 + 4 = 10$

 $2 + 5 = 7$

 $6 + 3 = 9$

 $4 + 5 = 9$

 $3 + 5 = 8$

 $4 + 6 = 10$

 $1 + 4 = 5$

 $3 + 3 = 6$

 $2 + 3 = 5$

 $6 + 2 = 8$

 $1 + 6 = 7$

 $9 + 1 = 10$

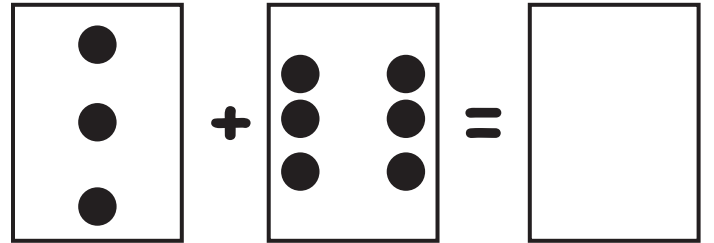

A vertical rectangular box containing three black dots arranged vertically. To its right is a plus sign, followed by another vertical rectangular box containing three black dots arranged vertically. To the right of that is an equals sign, followed by an empty rectangular box.

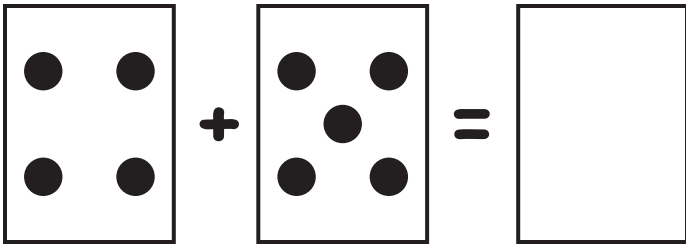

A vertical rectangular box containing three black dots arranged vertically. To its right is a plus sign, followed by a rectangular box containing five black dots arranged in a cross pattern (one in the center, four around it). To the right of that is an equals sign, followed by an empty rectangular box.

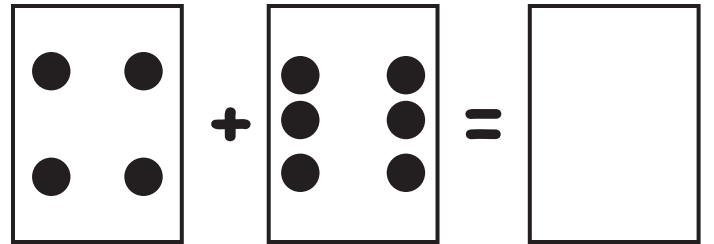

A vertical rectangular box containing three black dots arranged vertically. To its right is a plus sign, followed by a rectangular box containing six black dots arranged in two columns of three. To the right of that is an equals sign, followed by an empty rectangular box.

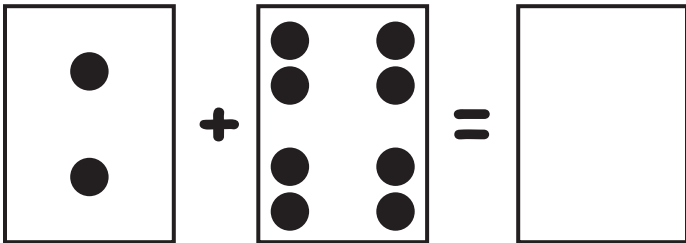

A vertical rectangular box containing three black dots arranged vertically. To its right is a plus sign, followed by a rectangular box containing six black dots arranged in two columns of three. To the right of that is an equals sign, followed by an empty rectangular box.

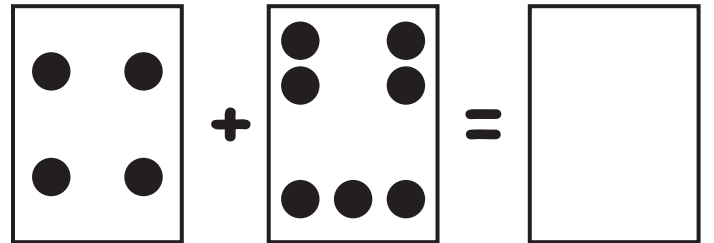

A rectangular box containing four black dots arranged in a 2x2 square. To its right is a plus sign, followed by a rectangular box containing five black dots arranged in a cross pattern. To the right of that is an equals sign, followed by an empty rectangular box.

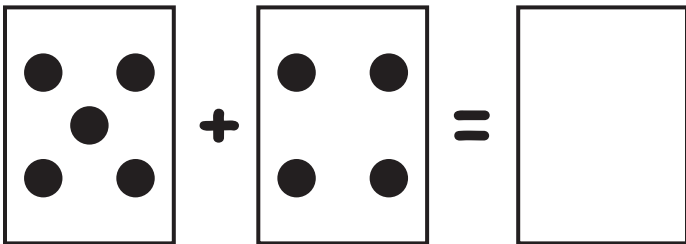

A rectangular box containing four black dots arranged in a 2x2 square. To its right is a plus sign, followed by a rectangular box containing six black dots arranged in two columns of three. To the right of that is an equals sign, followed by an empty rectangular box.

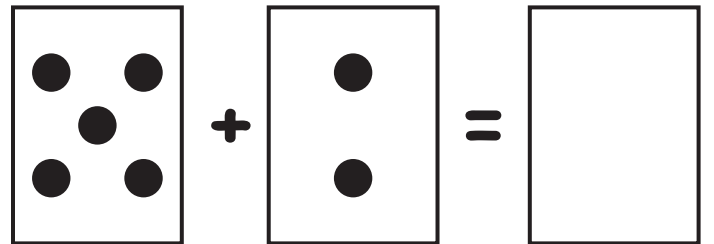

A vertical rectangular box containing two black dots arranged vertically. To its right is a plus sign, followed by a rectangular box containing eight black dots arranged in two columns of four. To the right of that is an equals sign, followed by an empty rectangular box.

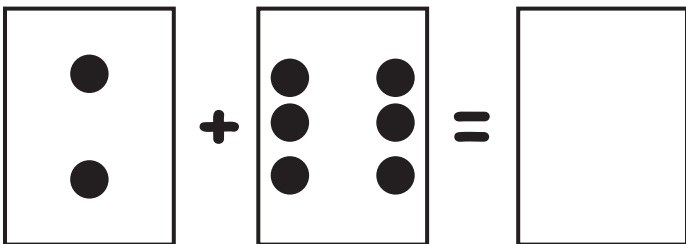

A rectangular box containing four black dots arranged in a 2x2 square. To its right is a plus sign, followed by a rectangular box containing eight black dots arranged in two columns of four. To the right of that is an equals sign, followed by an empty rectangular box.

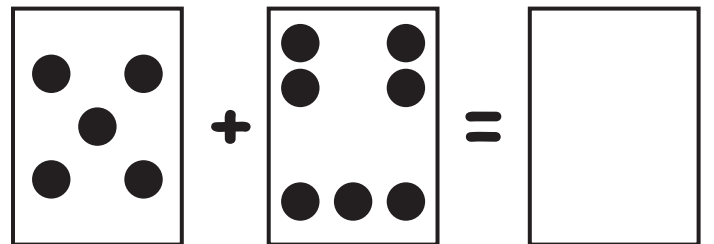

A rectangular box containing five black dots arranged in a cross pattern. To its right is a plus sign, followed by a rectangular box containing four black dots arranged in a 2x2 square. To the right of that is an equals sign, followed by an empty rectangular box.

A rectangular box containing five black dots arranged in a cross pattern. To its right is a plus sign, followed by a vertical rectangular box containing two black dots arranged vertically. To the right of that is an equals sign, followed by an empty rectangular box.

A vertical rectangular box containing two black dots arranged vertically. To its right is a plus sign, followed by a rectangular box containing eight black dots arranged in two columns of four. To the right of that is an equals sign, followed by an empty rectangular box.

A rectangular box containing five black dots arranged in a cross pattern. To its right is a plus sign, followed by a rectangular box containing eight black dots arranged in two columns of four. To the right of that is an equals sign, followed by an empty rectangular box.

A 3x2 grid of 6 dots plus a box with 2 dots equals an empty box.

A 3x3 grid of 8 dots plus a box with 2 dots equals an empty box.

A 3x3 grid of 8 dots plus a box with 3 dots equals an empty box.

A 3x2 grid of 6 dots plus a 2x2 grid of 4 dots equals an empty box.

A 3x3 grid of 8 dots plus a 2x2 grid of 4 dots equals an empty box.

A box with 2 dots plus a 3x2 grid of 6 dots equals an empty box.

A box with 2 dots plus a 3x3 grid of 9 dots equals an empty box.

A box with 1 dot plus a 2x2 grid of 4 dots equals an empty box.

A 3x3 grid of 9 dots plus a box with 2 dots equals an empty box.

A box with 1 dot plus a 2x2 grid of 4 dots equals an empty box.

A 2x2 grid of 4 dots plus a box with 3 dots equals an empty box.

A box with 1 dot plus a 3x2 grid of 6 dots equals an empty box.
